

MY DEBT NAVIGATOR

The MDN Enterprise Program

Introducing My Debt Navigator: A Financial Wellness Benefit

We're excited to bring **My Debt Navigator** to your organization — a no-cost, low-maintenance benefit that helps employees reduce debt stress, improve financial stability, and stay focused at work. The result: stronger retention, higher productivity, and a healthier workplace culture.

*Here are some TOP REASONS why **My Debt Navigator** is the perfect addition to support your workforce:*

No Cost to Employers

MDN is a completely free benefit for employers, offering impactful support to your team without adding to your budget.

Reduce Employee Stress

Financial burdens lead to stress and lower productivity. MDN helps employees reduce this burden, creating a more focused and motivated team.

Attract and Retain Top Talent

Offering a progressive benefit like MDN demonstrates your commitment to employee well-being, making your company a more attractive workplace.

Low Maintenance with Smooth Onboarding

We handle the setup, onboarding, and maintenance, making it a seamless, stress-free experience for employers and employees alike.

Potential for Lower Payments

Our program has shown success in qualifying employees to reduce their minimum monthly payments by up to 40-60%, helping them achieve greater financial stability.

Debt-U: Financial Clarity Course

MDN includes Debt-U, a specialized financial clarity online course that empowers employees to make informed financial decisions and manage debt independently.

Improve Productivity by Reducing Financial Distractions

Financial concerns are a major distraction. With MDN, employees can focus more on work, leading to higher productivity.

Enhance Overall Wellness & Morale

Employees who feel supported are more engaged and motivated. By investing in their financial health, you build a workplace culture of support and loyalty.
